SHILLONG PEAK

Shillong Peak is the highest point in the northeast Indian state of Meghalaya. It is a renowned tourist site in the East Khasi Hills, recognized for its picturesque splendour and panoramic views of the surrounding countryside. The summit, which is 1965 meters (6450 feet) above sea level, is a famous trekking and hiking destination. The two-hour hike to the peak's summit provides breathtaking views of the surrounding hills and valleys.

ELEPHANT FALLS

The Elephant Falls in Shillong, India, is a picturesque waterfall in Meghalaya's East Khasi Hills. The elephant-shaped rock formations near the falls inspired the name of these falls which are located 12 kilometres from Shillong and are a popular tourist attraction known for its beauty and tranquil surroundings. The falls are surrounded by beautiful green trees and undulating hills that drop from a height of roughly 30 meters.
